MORENCI NEWS

AND ITEMS OF LOCAL INTEREST

C. E. Tyler, of Clifton, was in Morenci on Wednesday of this week looking after his insurance business.

Misses Nora Butler, Maude Terrell and J. E. Butler were visitors with relatives in Clifton last Sunday.

Mr. and Mrs. A. J. Hall left here for El Paso last week, where Mr. Hall has accepted a position with the government.

H. S. Van Gorder, store manager of the Phelps Dodge Mercantile Company, arrived home last Saturday evening from a several month's visit on the coast.

Dr. G. W. Blatherwick returned to Morenci last week after an enjoyable visit with his family who are spending the summer on the coast.

George Bailey from the P. D. M. Co. store office, will leave next Sunday morning for a two weeks vacation visiting friends and relatives in Colorado.

The little Canavanagh boy who was hurt by being hit with the heavy shot on July 4th has been removed to his home and is getting along as well as can be expected.

A. W. Cleaves, employed in the general office of the Detroit Copper Co., resigned his position recently and has started on a trip to visit his old home in Australia. His host of friends regretted very much his departure, but extended him their best wishes for an enjoyable visit.

Scott Jackson, employed in a prominent position with the Arizona Copper Company, left here this week for South Evanston, Ill., where he will be married to Miss Edna Harner on Wednesday, July 29th. He was accompanied by his brother, Harry Jackson, who will take it upon himself to see that the newly-weds are given a creditable "send-off." Miss Harner is well and favorably known here and will be received by her many friends after their honeymoon trip. After the wedding the couple will leave over the Canadian Pacific for Seattle and thence down along the coast visiting many places of interest and finally returning to Morenci about September 1. Congratulations and best wishes are extended by all including the Era, to this popular couple.

A called meeting of all tennis enthusiasts in Morenci will be held in

the Morenci Club Library rooms on Friday evening of this week for the purpose of forming a tennis club. Ever since a tennis court has been in existence, it has been under the direction of the Morenci Club and since the game has become so popular among the young people in camp, it is necessary to engage the court some days ahead of time. It was thought best to take the court off the hands of the D. C. M. Co., whose management has spent considerable money on improvements that are enjoyed by the general public. No doubt the meeting on Friday will bring out many other points of advantage to a tennis club and a good sized membership is anticipated.

Baseball—
In spite of the fact that a good loyal bunch of ball fans were present at the ball park last Sunday afternoon to help the local team win from Clifton, the Morenci team lost to Clifton with a score of 10 to 7. It was absolutely a "back lot" game from start to finish and even the "touted" players of both teams showed the spectators how unadmirable errors can be made.

Stevens, the Morenci pitcher, was in bad form and in the opening inning for the visitors, they gathered in three runs with the same number of hits. Then followed a succession of innings in which most every kind of play figured, overthrows, errors, a pitcher's balk, out by batted ball, home-run, a stream of batters hit with pitched balls, bases on balls, so that the spectators were ready to expect most anything.

Weeks, pitching for Clifton, was in good form, allowing only eight hits. The poor support given him is accountable for many of the runs placed to Morenci's credit. Although playing an uphill game and with two out in the Morenci half of the first inning, Porri acting captain for the team, knocked one of the prettiest home runs ever seen on the local diamond. His batting was a feature during the game, for he annexed a clean three-base hit in the seventh inning which helped to add to Morenci's score. At the beginning of the seventh inning, Stevens was taken out of the box and was replaced by Pedro Cuaron, who allowed five hits in three innings and one run was made on him.

Clifton's batting was sure a feature, for they slammed the ball repeatedly for two and three bases, but their infield work was probably worse than the Morenci team.

As usual, Peter Riley, the Clifton

catcher, was the clown of the game, with his decision disputes, but his "every minute" playing has made him a favorite with Morenci fans.

The score by innings is as follows:
Clifton .3 1 2 0 0 3 0 1 0-10
Morenci 1 0 0 1 1 1 2 0-7

Clifton Hits—15.
Morenci Hits—8.
Batteries: Weeks and Riley for Clifton.
Stevens, Cuaron and Brock for Morenci.

Pedro Cuaron showed he had his batting eye with him when in two turns at bat, he smashed a fast single to right field and drove out another for two bags.

L. Grimes and McIlveen drew the long hits for Clifton, each had a three-bagger.
It was certainly some game but as these players are giving amusement to the public on Sundays, without pay, and without practice, it is not quite fair to criticize too severely. We are confident however, that the two teams have played better ball under worse circumstances, and can play ball with the average bush league teams.

From Oklahoma—
Mrs. J. M. Brown, of Claremore, Oklahoma, is visiting with the family of her son, who is employed at the soda fountain department of the Morenci Club. Mrs. Brown will probably remain for some time, she being in attendance at the bedside of her daughter-in-law, who has been indisposed for several months.

Mrs. Louise Kelly and T. J. Kelly this week received the announcement of the death on Monday, July 20, of their sister, Mrs. Anna Burke, at her home at Fort Worth, Texas. Mrs. Kelly had been with her daughter some time before her death, which was after a long attack of typhoid fever. Mrs. Kelly will soon return to Morenci. Mr. and Miss Kelly have the sympathy of many friends in their grief.

Stabbed With Dirk—
Officer Hoffman was required Tuesday evening to effect the arrest of a Mexican who a few hours earlier in the evening had stabbed seriously with a dirk a companion, who was later removed to the A. C. hospital. Hoffman chased the eluding man over the Northern portion of the town before success. He was placed in jail to await his hearing on the afternoon of Friday.

Cashier Jno. D. Williams, of the Morenci State Bank, is now enjoying the attractions of California's climate, and to his friends received here this week stating that he was at the time of writing, at Ocean Park, directly upon the cooling seashores, where he had met with a number of Greenlee citizens, among whom were Judge and Mrs. F. B. Laine.

Mr. Bradford, of the Morenci State Bank, visited friends at Clifton Saturday evening.

Delayed Complaint—

A demonstrative Mexican, well filled with port wine, interested a number of spectators gathered about the plaza on Monday evening, the Mexican's antics and discourses being odd at the least, as his principal objection was concerning the recent July 4th observances held here. He was arrested and placed upon public work as repairer of the Morenci-Clifton road.

Largely Attended Social—

Mrs. D. L. Bouse, and her sister Miss Ada Clarke, were hostesses, at the home of Mrs. Bouse, on the afternoon of Thursday to more than twenty ladies, who formed a number of tables at cards, which was the principal diversion. At 500, the most popular card game, Mrs. Jno. Ring-smith won first prize, a Japanese basket; Mrs. W. J. Williams won second, a handkerchief case, while to Mrs. R. G. Phillips went the consolation, a Japanese doll. Refreshments were fruit salad, olives, cakes, sherbert and coffee.

The Odd Fellows lodge on the evening of Wednesday met in regular session, and besides other matters conferred the second degree upon J. A. Toy.

Neals Return—

Amid the heaviest of the rainstorm of Monday afternoon Mr. and Mrs. Larkin Neal, and little daughter, returned from an enjoyable vacation spent at ranch homes along the "Frisco" river.

E. Riley returned Monday from a few days' trip of pleasure and vacation to the Patty and Hampton ranch.

Clifton Candidates—

Morenci on Wednesday was humming with the wonted conversations of a large delegation of Clifton candidates for Greenlee county offices. Those of Clifton's citizens observed here that day were Wade Hampton, A. L. Terry, Jno. D. Patty, G. A. Franz, and "Stats" Crawford, while Met-calf was represented by R. A. Campbell, a present supervisor.

Newly Wedded—

Mr. and Mrs. Davidson returned Saturday from Iowa City, Iowa, where was performed a few days before the ceremony uniting them in marriage. Mr. Davidson is employed here in the time office of the A. C. company's concentrator, while his bride is a stranger to Morenci's people, who extend her a glad welcome.

CALUMET & ARIZONA.

The Calumet & Arizona company reports for June an output of 4,830,000 pounds of copper which compares with 5,480,000 pounds in May and 3,200,000 pounds in June last year. For the half year the output was 32,168,000 pounds against 25,080,000 pounds in 1913.
